Dear DOMINIC WEHRLI

This letter is to inform you the FAA has renewed your Inspection Authorization (IA) for a two-year period to March 31, 2023, per 14 CFR 65.93. This letter serves as an alternative to the endorsement (FAA Inspector/Safety Technician signature and date) normally placed on the back of your FAA Form 8310-5 (IA Card).

To remain in effect you must show evidence of completion of one of the activities prescribed in section 14 CFR 65.93(a) (1) through (5) by March 31 of the first year; AND completion of one of the five activities during the second year of the two year period as prescribed in section 14 CFR 65.93.

You are required to keep this letter with your FAA Form 8310-5 while exercising the privileges and limitations of an Inspection Authorization or until your FAA Form 8310-5 is endorsed and dated as prescribed in 14 CFR 65.95. Additionally, your FAA Form 8310-5 and this letter must be available for inspection as required by 14 CFR 65.95.

You will be required to present this letter and your FAA Form 8310-5 at your next renewal in March 2023.

If you have any questions, contact Inspector/Safety Technician ELIANA VANESSA MEJIA at the FS59 Flight Standards District Office or Flight Standards International Field Office. Contact information for Flight Standards District Offices may be found by visiting https://www.faa.gov/about/office_org/field_offices/fsdo/

Sincerely,

ELIANA VANESSA MEJIA
